

Craft 1

Crowd scene

Draw yourself into the picture

You will need: a large sheet/roll of paper, Jesus on a donkey (template), scissors, plain A5 paper, pencils, crayons, felt tips, glue sticks.

- Print Jesus riding the donkey template . Cut out the picture and stick it in the centre of a large sheet of paper.
- Draw yourself as a member of the crowd, with a palm branch or cloak in your hand. You can colour your figures in, then cut them out and stick them either side of Jesus, to create a crowd scene.

What might you have seen, heard, smelt, felt as a member of the crowd that day?
