PLASTIC

During the pandemic plastic usage has escalated with masks and PPE to name just 2 examples so why not make one of your New Year resolutions to use less plastic in 2021?

- We stock Shampoo bars which are really good and last a long time. They come in two fragrances: kaffir lime and lemon and lavender and rosemary and cost £5.00.
- Please make use of the refill service that we offer, we stock Washing Up liquid, all-purpose Sanitiser, Fabric Conditioner, Toilet Cleaner, Laundry Liquid, and Sanitised Hand wash. We are happy to exchange your empties for refilled bottles and then simply return it when you need another. Because we buy in bulk containers it is cheaper for you and reduces our plastic footprint.
- Buy a fair trade fabric mask. They come in 2 sizes and a variety of colours and are safe to launder on a 60 degree wash cycle.

HOME DELIVERIES

We will also continue to offer a delivery service during the current restrictions and to avoid social contact I will leave the goods where you advise. I have good supplies of tea, coffee, pasta, toilet rolls etc etc.
